PROFILE

Creative Technologist with 4+ years of experience across brand identity, motion graphics, UI/UX design, web development, AI-powered workflows, digital marketing, and ERP implementation. Currently delivering visual and product design for **RIVA and Choice Wardrobe** — two of the GCC's leading fashion brands under Armada Retail Concept, a Kuwait-headquartered retail group with 120+ stores across the Gulf.

Builds end-to-end creative solutions: from brand strategy and visual identity to paid ad campaigns, custom web backends, Odoo ERP implementations, and AI-integrated production workflows. Founder of COZMO STUDIO, a creative agency serving clients across Kuwait and the region.

WORK EXPERIENCE

Graphic Designer 2025 – Present
Armada Retail Concept Kuwait

Leading GCC fashion retail group (est. 1973) with 120+ stores across Kuwait, KSA, UAE, Bahrain, Qatar & Oman. Primary brands: RIVA & Choice Wardrobe.

- **Brand Identity:** Developed visual systems, logo assets, and brand guidelines for RIVA and Choice Wardrobe
- **Social Media:** Designed posts, stories, and reels; managed content pipelines across seasonal campaigns
- **Motion & Video:** Produced motion graphics and promotional video content (After Effects & Premiere Pro)
- **UI/UX:** Designed full UI/UX for two internal apps — Editorial and Wardrobe Fashion — in Figma (flows, wireframes, hi-fi screens)
- Managed concurrent creative output across multiple brand campaigns from brief to delivery

Odoo ERP Implementer & Business Process Consultant 2025 – Present (Freelance)
AZI Shop Kuwait

Kuwaiti B2B retail company — building materials, carpentry accessories & kitchen fittings.

- Led end-to-end Odoo ERP implementation: system configuration, module setup, and workflow design
- Cleaned, restructured, and migrated existing business data into Odoo
- Defined and documented Standard Operating Procedures (SOPs) to standardize operations on the new system
- Coordinated with the dev team on a custom payment gateway module integration
- Acted as liaison between business stakeholders and the technical team throughout the project

Graphic Designer & Student Services Provider Jan 2023 – Oct 2024
Mickey Mouse Jahra Library Kuwait

- Designed banners and print materials for school and corporate clients
- Managed government document processing, student services, and technical equipment operations

Graphic Designer for Printing Services Apr 2022 – Jan 2023
Digital Future Library Kuwait

- Designed banners for schools and companies; operated banner printing machinery

Data Entry & Logistics Assistant Aug 2021 – Apr 2022
Tahfeez Charity Association Jordan

- Organized data in Excel, communicated with visitors, and assisted in identifying target audiences for institutional programs

FREELANCE & PROJECTS

Golden Gate for Contracting & Finishing · Web Developer + Social Media Manager + Media Buyer · Kuwait

– Web Dev: Built a full custom landing page on a PHP-based CRM; developed a backend admin panel for dynamic project management (add/remove/update), CSS layout control, and form-integrated contact handling

– Portfolio: Designed and produced a downloadable PowerPoint company portfolio booklet, embedded as an asset on the site

– Meta Ads: Planned and ran paid Instagram/Facebook campaigns; handled audience targeting, segmentation, budget management, and ad creative optimization

[PHP] [HTML/CSS] [CRM Backend] [Meta Ads Manager]

LoVoTech Kuwait · Social Media Designer + Media Buyer · Kuwait

Smart home & low-voltage solutions company (CCTV, access control, data centers).

– Managed Instagram presence: content creation, visual branding, and editorial calendar

– Planned and executed Meta Ads campaigns — audience targeting, A/B testing, and budget optimization
